

Ship. Track. Save.

Crown Postal Shipping is a simple step-by-step, online shipping application that allows you to leverage **CPS'** discounted carrier rates to create shipping labels for multiple couriers.

Easily compare tracked and non-tracked domestic and international rates, add tracked services and insurance and create customs forms via our simple online solution. A scalable solution that offers the ability to add additional couriers and the option to add your own courier contracts.

Save up to 43%
by using CPS'
negotiated
courier rates*

Carrier compliant shipping labels

*When comparing Evri 0-1kg parcel prices with equivalent services from selected leading comparison sites (July 2023).

Save time and money

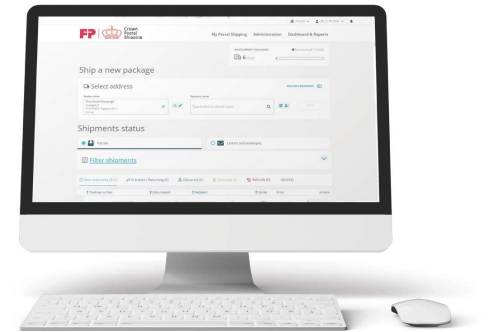

Easily create addressed shipping labels from your own address book. Create single or multiple consignments or add return labels in seconds via intuitive user-friendly platform. save up to 43% compared to other leading platforms.

Full Tracking Visibility

Manage and track items with the easy search tracking dashboard. Plus, you can automatically email tracking information to the recipient for better customer service.

Addressing Made Easy

With automatic address verification and correction, you can avoid mis-deliveries or delays. The built-in address book allows you to simplify your contact management, find recipients and add them to shipping label quickly and easily.

Flexible for all your Shipping Needs

Scalable for small office and work from home to large enterprises, Crown Postal Shipping prints multiple courier shipping labels in different formats to suit both desktop and thermal label printers.

*Evri 0-1kg drop to shop mainland UK service dated July 2023
